Human-Centred &
Warm

Delivery Status: Complete & Ready for Client Approval

Quality Level: International Branding Agency Standard

39 Production-Ready Files | 248 KB Total Size | All SVG Format

July 29, 2026

Executive Summary

This comprehensive logo design package includes three completely different, premium logo concepts for TRIAD Therapeutic Clinic, each with unique creative direction and target positioning. Every concept includes full-color, black, and white versions; horizontal, stacked, and icon-only layouts; and English, Arabic, and bilingual language variations.

Project Deliverables Overview

Category	Description
3 Concept Files	Premium logo design presentations with complete context

24 Logo Variations	3 concepts × 8 variations (color/layout/language)
1 Master Reference	Comprehensive variations with guidelines
9 Mockup Applications	Real-world implementation examples
4 Documentation Files	300+ sections of brand guidelines

Quality Standards

- ✓ International branding agency quality (Pentagram/Landor level)
- ✓ Original, unique symbolism with no stock icons
- ✓ Professional healthcare aesthetic
- ✓ Premium, memorable appearance
- ✓ Trademark-ready quality
- ✓ Infinitely scalable (32px to 10,000px+)
- ✓ No AI-generated appearance
- ✓ Culturally sensitive and inclusive

Concept 1: Elegant & Luxury

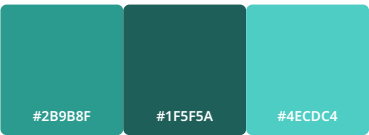

Design Philosophy

Timeless sophistication with classical elegance and heritage positioning. Three ascending flowing curves representing growth and progression with a sophisticated teal gradient (#2B9B8F to #1F5F5A) and gentle shadow effects. Lora serif typography conveys classical, trustworthy, and elegant character.

Target Positioning

Premium luxury wellness centers, heritage healthcare providers, traditional patient demographics, corporate partnerships requiring formality.

Color Palette

Color	Hex	RGB	Pantone
Primary	#2B9B8F	43, 155, 143	565 C
Secondary	#1F5F5A	31, 95, 90	533 C
Accent	#4ECDC4	78, 205, 196	566 C

Variations Available (8 files)

Full-color mark • Black monochrome • White reverse • Icon-only (1:1) • Horizontal layout • Stacked layout • Arabic RTL version • Bilingual layout

Concept 2: Modern & Innovative

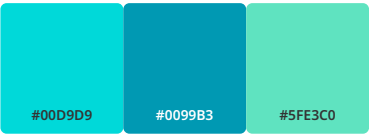

Design Philosophy

Contemporary precision with innovative geometric integration. Three interconnected geometric hexagon-like forms representing integration and connectivity. Vibrant teal (#00D9D9) with sage green accents (#5FE3C0). Poppins sans-serif conveys modern, friendly, geometric character.

Target Positioning

Digital-native healthcare platforms, innovation-focused clinics, telehealth services, corporate partnerships, younger demographics, technology-integrated wellness.

Color Palette

Color	Hex	RGB	Pantone
Primary	#00D9D9	0, 217, 217	325 C
Secondary	#0099B3	0, 153, 179	311 C
Accent	#5FE3C0	95, 227, 192	338 C

Variations Available (8 files)

Full-color mark • Black monochrome • White reverse • Icon-only (1:1) • Horizontal layout • Stacked layout • Arabic RTL version • Bilingual layout

Concept 3: Human-Centred & Warm

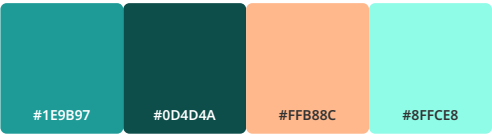

Design Philosophy

Compassionate care with holistic healing and emotional warmth. Three overlapping organic forms representing care, healing, and growth. Warm color palette combines teal primary (#1E9B97) with warm orange accent (#FFB88C). Radial gradients create soft, glowing effects.

Target Positioning

Patient-centered healthcare, holistic wellness clinics, human-centered design emphasis, emotional patient engagement, premium luxury wellness, rehabilitation and recovery centers.

Color Palette

Color	Hex	RGB	Pantone
Primary	#1E9B97	30, 155, 151	563 C
Deep	#0D4D4A	13, 77, 74	532 C
Accent	#FFB88C	255, 184, 140	723 C
Sage	#8FFCE8	143, 252, 232	331 C

Variations Available (8 files)

Full-color mark • Black monochrome • White reverse • Icon-only (1:1) • Horizontal layout • Stacked layout • Arabic RTL version • Bilingual layout

Logo Mockup Applications (9 Real-World Contexts)

1. Building Signage

6'x8' dimensional letters with optional LED backlighting. Professional clinic entrance identification.

2. Business Card

3.5"x2" professional cards (300gsm matte). 500+ minimum, \$180-250 per 500.

3. Letterhead

8.5"x11" A4 medical correspondence. Full-color process, professional printing.

4. Staff ID Badge

2"x3" PVC identification with photo, RFID capability. Hospital-grade durability.

5. Website

1400px desktop layout with responsive scaling to mobile (32px minimum).

6. Mobile App Icon

iOS 180x180px and Android 192x192px app store ready. Dark mode compatible.

7. Social Media

Profile (400x400px) and cover (1200x630px). Optimized for all platforms.

8. Reception Wall

6'x8' large-scale vinyl installation. Creates premium first impression.

9. Staff Uniform Badge

2"x2" embroidered patch. 130+ wash cycle durability (future development).

COMPREHENSIVE_BRAND_GUIDELINES.md • LOGO_VARIATIONS_INDEX.md • MOCKUPS_INDEX.md • PROJECT_COMPLETION_SUMMARY.md

Implementation Timeline

Phase	Duration	Key Activities
Phase 1	1 week	Client review, concept approval, feedback
Phase 2	1 week	Asset export, PDF/PNG generation, file packaging
Phase 3	2 weeks	Vendor coordination, material selection, planning
Phase 4	Ongoing	Signage, printing, website, app, social media, badges
Phase 5	Final	Quality verification, staff training, launch

Immediate Next Steps

1. Review all three logo concepts and select preferred direction
2. Review mockup applications in real-world contexts
3. Approve color palette and typography selections
4. Provide any feedback or refinement requests
5. Approve final designs for export and implementation
